We would like to invite you to our 2nd Annual production bull sale to be held at Headwaters Livestock Auction in Three Forks, Montana on March 8th, 2010 at 1:00 P.M.

First and foremost, we want the customers to know that we stand behind these bulls 100 percent. If there is a problem, it will be taken care of to your satisfaction. These bulls are embryo transplant calves. We have taken our very best cows and flushed them to produce half and full brothers so that you can achieve a more uniform calf crop.

The bulls have been developed on a high roughage ration. The bulls have been fertility tested and will be ready for breeding. These bulls will possess explosive growth, strong maternal, and above average carcass merit.

Sincerely,

Dana Williams
